

**Counsel's Rule 11 Compliance Certification – Motion for Summary Judgment**

By signing this Rule 11 Compliance Certification, I attest that I have completed the following actions before filing the motion for summary judgment filed contemporaneously with this Certification. I understand that, in many instances, the failure to complete the following actions before moving for summary judgment could subject me to sanctions at least pursuant to Rule 11 of the Federal Rules of Civil Procedure.

- Conducted a reasonable investigation into the factual contentions as required by Rule 11(b)(3);
- Reviewed the legal standards governing a motion for summary judgment, including that summary judgment is only warranted if there is no genuine issue of material fact and that the Court must view the evidence in the light most favorable to the nonmovant and drawing all reasonable inferences in the nonmovant's favor; and
- considered whether there is a non-frivolous legal basis to request summary judgment consistent with Rule 11(b)(2).
